③ HOURS TO COMPLETE

Connecting to Salesforce Training

Get a head start on your integration success with Connecting to Salesforce training

Connecting to Salesforce Training

This course is designed to give a detailed overview of the different ways provided by the Jitterbit Harmony platform to integrate with Salesforce. In this course, we'll cover the various Jitterbit Connect Salesforce Wizards, Jitterbit Script Salesforce functions, and more. This course is a combination of lecture-style and hands-on. Chapters are composed of videos followed by short quizzes to reinforce key principles.

KEY BENEFITS

- ✓ On-demand, self-paced training allows you to learn when and where you want.
- ✓ Learn about the ways you can connect to Salesforce with the Jitterbit Harmony Platform.
- ✓ Understand best practices for optimized workflows.
